

Miguel Ybáñez
La sombra del olvido

October 24 - December 21, 2024
GRIMM, 2 Bourdon Street, London (UK)

GRIMM is pleased to announce *La sombra del olvido*, a solo exhibition of new paintings by Miguel Ybáñez in London (UK). This marks the artist's sixth solo exhibition with the gallery and Ybáñez' first solo exhibition in the UK.

Using a colorful geometric abstraction that verges on the familiar, Ybáñez' paintings are reminiscent of dream-like landscapes that question our perception of everyday forms.

Ybáñez states that the essence of his work is to express the universal emotions that exist in our shared extra-dimensional space. He believes that this language without words is understood across cultures and sees his work as a conduit, a medium through which he can pass his ideas to future generations.

"I am interpreting what is a new reality or another unreality... I do not see a difference between modern art and classical art. It is the same. There are differences in structures, in the materials, and in themes. But the depth and emotion stay the same."

– Miguel Ybáñez, 2024
